DECLARATION ON OATH

In my capacity as superintendant of the 'Furniture Transport Department' in the firm of Schenker & Co., pty. ltd., Hagen, I forwarded several types of transports for Jewish emigrants abroad in the years 1938 - 1940. One of these was ordered by Mr. Herman Rosenthal, Hagen for transport to Sydney.

It was a lift van, marked 'Rosenthal' & contained property for removal to the Bremen office of Schenker & Co., for shipment to Sydney.

By order of the then German Government, all transport firms were at the time obliged to report the total property of intending Jewish emigrants. The above consignment was also affected by this order.

As far as I know, the above lift van was confiscated, & as far as I can remember, this was done by order of the 'OBERLANDESFINANZ PRESIDENTEN' at Bremen.

I have no knowledge what happened to the property after that.

As all documents regarding ~~this lift van~~ transactions of this lift van were lost because of the war, I am making this declaration on oath from memory to the best of my knowledge & ability.

(Signed): Josef Felka.
